

## CASINO ACTION ALERT

1. Please review the letter from five U.S. Senators to Secretary of the Interior Ken Salazar [click on “Senators Oppose OffRes Casino” bullet on web page].
2. Then please contact each of these Senators, thanking them for supporting firm restrictions on taking land into trust for the purpose of “Off”-Reservation casino gambling. **Emphasize that you’re calling/writing from Sullivan County, New York**, where as many as five “off”-res casinos have been proposed, and where even one would cause real problems for our area. Contact info below, or see the U.S. website.
